I understand that I will pay in full for the session by February 15, 2010 unless I have a credit card on file, and in that case my card will be billed in 3 equal installments in February, March, and April on or about the 15th of the month. I understand that once I have paid or my card has been charged that there will be no refunds for the spring session. You are signing up for 12 weeks. If my credit card is on file it is assumed that I wish for my child to remain enrolled in the same class day and time at XAG unless I have given written notification that my child is not going to continue at XAG. If I wish to change class days or times I must complete this form.
