Xtreme Altitude

General Camp Information

At Xtreme Altitude, we offer **exciting** and **challenging** camps that serve the individual needs of each individual camper. Boys and girls will build *confidence, self-esteem and gymnastics skills* in a fun and rewarding atmosphere.

X-Camp is held at our **Lafayette** location only! Camp runs from 9am to 3:30pm Monday through Friday for full day campers (Grades K-6) and 9am-12pm for half-day campers (preschool, ages 3-5).

Campers should wear **comfortable ATHLETIC clothing** to camp each day (no dresses, please!) Campers should also bring a snack, lunch (full day campers only) and a water bottle each day.

Each child will be placed in a group appropriate for their age and ability. We will do our best to accommodate requests for your child to be with a friend or sibling, but the overall camp schedule will take precedence.

Gymnastics is the MAIN event at X-camp, but each camp week will incorporate different themes that show up in the games we play and the activities we do. No two weeks are exactly the same!

Staff

Xtreme Altitude selects instructors who have a *proven ability to work with children* in this unique camp environment. These special people know how to motivate, educate, and best of all, make camp **FUN!** Don't be surprised when your child's camp instructor becomes their new "**favorite person**"! All lead instructors are CPR certified, and our low camper-to-instructor ratio means your child will get **lots of special attention!**

Facility

Xtreme Altitude Lafayette has over **19,000 square feet of gym space**, filled with a **large variety of equipment** including: two spring floors, an 80ft tumble strip, a 40ft. tumble tramp, beams, bars, vaults, rope swings, an in-ground loose foam pit and more! *Your kids are gonna LOVE it!*
