Parents can drop their kids off and enjoy a morning to themselves for shopping, working out or getting errands done in record time! Or, stay and hang out with your mom friends (dads, too!) and read a book, surf the net on our free wireless internet or any other leisurely activity. We keep the kids busy with about 1 and 15 minutes of play time and 15 minutes of snack time. What could be easier? Your first time is always free so give it a try.

We know your child is gonna LOVE it!!

JUST A FEW REMINDERS...

The Quarter System

Xtreme Altitude runs on a quarter system. Each quarter is 12 weeks in length.

Clients may sign up at any time during the quarter, but are committed through the end of the quarter. The summer quarter, which runs from May 24th through August 27th, is a "flex" quarter of 14 weeks, where we give you the option of 8, 11 or 14 weeks of classes.

No drops or refunds will be processed prior to the end of a quarter. No exceptions!

Credit card authorization form

If you are on our autopay system and pay your tuition monthly with a credit card, you must fill out a credit card authorization form. If you have not already done so, please see a front desk associate for a form.

Safety in the bleacher area

We love spectators! And obviously, we love kids. But your children's safety is very important to us. Please do not allow your children to run up and down the bleachers as this can be very dangerous. Also, any siblings of children in class **MUST** remain with their parents on the bleachers at all times. We cannot have children playing in the reception area or outside by themselves. Any child left unattended will be given an espresso and a puppy to take home. Just kidding...but we will escort them back to you.

Makeups

Makeups for Lil' Explorers, Gym Adventures and Tumble Trax students must be scheduled in advance with the front desk. Students who show up for a makeup without prior authorization will unfortunately not be permitted to take class that day. Also, makeups must be completed during the same quarter in which the classes were missed. Makeups do not roll over to the next quarter, so please plan ahead!

Parents on the floor

Parents of recreational students and team athletes are not permitted on the floor for any reason. If you need to speak with your child or a coach, please see a front desk staff member for assistance.

Referral Program

Referrals from happy clients are the heart of our program. To thank for your referring your friends, we offer our clients a free month of tuition. We just ask that you follow these procedures and restrictions:

- ✓ Your referral credit will be applied to your account for each FAMILY you refer, not each separate child.
 - ✓ Your referrals must be NEW members to the gym, with no past account history.
 - ✓ Your referrals must mention you at the time of their registration.
- ✓ The **maximum** referral credit is equal to the current monthly rate of one recreational level class per week.
- ✓ The referral credit can only be applied to recreational tuition. Team members can receive a credit towards any recreational students in their family or \$40 towards a pro shop item (uniforms not included).
- ✓ Credits cannot be retroactively applied to tuition that has already been paid. If you have paid upfront for a quarter, your credit will be applied to future tuition.

Thank you SO much for your cooperation with our gym policies!
